SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §§ 1.56, 1.97, and 1.98

Applicant is submitting this Information Disclosure Statement pursuant to 37 C.F.R. §§ 1.56, 1.97, and 1.98 to disclose to the U.S. Patent and Trademark Office the patents, publications, applications, and/or other references listed on the enclosed, completed PTO-1449 form(s). The filing of this Information Disclosure Statement should not be construed as a representation that a search has been made by the applicant.

Specifically, this Information Disclosure Statement includes engineering drawings and a Declaration which have all been previously submitted to the PTO by a third-party, Wildcat Manufacturing, in a Second Protest under 37 CFR §1.182, regarding applicant's presently pending reissue application. The Second Protest includes a letter of Protest, engineering drawings, a written description, and a Declaration, all alleged to be prior art to the reissue application. Applicant disagrees with the arguments presented in the

Second Protest, and thus does not assert or admit that any information contained in the Second Protest is valid, or that written descriptions of equipment shown in the Second Protest are valid. Applicant did not obtain the Declaration and therefore cannot represent that the Declaration is accurate. Applicant respectfully requests that the listed references be expressly considered during prosecution of the application, and that the references be made of record therein and appear among the "references cited" on any patents issuing therefrom.

CONTENT OF DISCLOSURE

This Information Disclosure Statement includes (1) two pages of PTO-1449 forms, and (2) a legible copy of each reference listed on the PTO-1449 forms.

TIMING OF DISCLOSURE

This Information Disclosure Statement is being filed after a Request for Continued Examination has been filed by the applicant, and prior to the mailing date of a notice of allowance under 37 C.F.R. § 1.311, or an action that otherwise closes prosecution in the application, but on or before payment of the issue fee. Therefore, in accordance with 37 C.F.R. § 1.97(d), submitted herewith are (1) the statement specified in 37 C.F.R. § 1.97(e), and (2) the fee set forth in 37 C.F.R. § 1.17(p).

STATEMENT

The undersigned states, in accordance with 37 C.F.R. § 1.97(e)(2), that no item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of

information contained in this Information Disclosure Statement was known, to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing of this Information Disclosure Statement.

FEE INFORMATION

Attached herewith is a check for \$180.00 for payment of the fee set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any additional fees that may be required, or to credit any overpayment, to Account No. 11-1540. A duplicate copy of this sheet is enclosed.

Please contact the undersigned with any questions or comments regarding this Information Disclosure Statement.
